Applying for the Canadian Award in Aviation

In 1974 Canadian Ninety-Nines established the Canadian Award in Aviation to promote aviation within Canada. Since then, individual Ninety-Nines and friends of the Canadian Ninety-Nines have contributed funds to provide an **annual award of \$1,000 - 2,000 to registered Canadian charitable organizations** whose activities promote, improve or preserve aviation and aeronautics in Canada. The award allows our women pilots to promote aviation through other organizations. Individuals and Ninety-Nines do not qualify to receive this award.

Applications for the Ninety-Nines Canadian Award in Aviation must be received by August 31 of each year. Mail or email completed applications to:
